## Lightning procedure

In the event of inclement weather, players and officials will be ushered to the forum "All Safe" is given by the Festival Officials. Depending on the duration of the delay, matches may be cancelled to ensure the Festival fixtures remain on schedule.

## Festival rules

Game duration

All games shall be started by the referees. All games will 4 x 5 minute chukkas with no timeouts.

All games should start at the times as indicated on the Festival programme, or in the event of a delay, at the new times as determined by the Festival committee.

Game time may be reduced at the discretion of the Festival committee, and teams shall be notified of such changes.

Should any team not be ready and in the pool at the indicated start time, the referee shall start the game and the team not in the water at the time should be penalized with one goal against them.

## Lost time

Should Festival playing time be lost due to inclement weather conditions or unforeseen circumstances, new match times will be decided upon by the Festival committee.

## Age criteria

Participants in the Festival must be U/13 or younger.

## Pool Area

NO balls are to be used in the warm-up pool whilst games are under way. NO musical instruments of any type are permitted in the pool area. The organizers are permitted to play music within the pool area except during games.

## Caps

Coaches are to check and ensure team lists are correct prior to their first game. Any changes to cap numbers that take place during the Festival must be submitted to the table before the game.

### **Vendors**

The Red Hub Cafè will be the catering company that will be available throughout the festival.

Coffee/Tea for coaches and managers will be available at the pool.
