First Term NTS Practice League

One of the areas where we lag behind other provinces is how many matches our players are exposed to in water polo season. The big provinces are able to offer their players 3-4 times as many match opportunities as there are many club leagues to take part in. We know that the first term is always quite busy with water polo so will not be doing age group training in the first term but will be offering a practice league. We will then hold age group trials at the end of the first term and then start with winter training in term 2.

Practice league will work as follow:

Senior boys (u16 and open)

Pretoria Boys High School, Wednesday evenings 19:00 – 20:30

Junior boys (u13, u14 & u15) and girls

Afrikaanse Meisies Hoërskool, Wednesday evenings 18:30 – 20:00

On the following dates:

2 Feb, 9 Feb, 16 Feb, 23 Feb, 2 Mar, 9 Mar

We may some changes depending on how big the turnout will be

Cost: R500 for the term

Registration fee: R270 compulsory for all of those who did not pay registration fee end of last year (will be used for SSA registration and NTS Water Polo admin costs)

Joining the league is compulsory for any of the senior players wanting to try out for the NTS Men 18 and under side for the SA National Water Polo Championships that will be held in March in East London. We are awaiting more information on this event and will share that as soon as we have that.
